Re: Notification of Federal Natural Resource Trustee  
Libby Asbestos Superfund Site, Operable Unit 6  
Lincoln County, Montana

Dear Natural Resource Trustee:

Pursuant to section 122(j) of CERCLA, this letter is to inform you of negotiations with Burlington Northern and Sante Fe Railway Company (BNSF) concerning actions to be taken in response to a release or threatened release of hazardous substances at the Libby Asbestos Superfund Site, Operable Unit 6 (Site), located in Lincoln County, Montana. The goal of the U.S. Environmental Protection Agency is to enter into a consent decree whereby BNSF will implement institutional controls within Operable Unit 6 of the Libby Asbestos Superfund Site, pursuant to EPA's record of decision issued on February 8, 2016. The remedial project manager at this Site is Dania Zinner. Should you require further technical information about the Site, you may contact Dania Zinner at 303-312-7122.

If you have any questions about this matter please contact Max Greenblum, Enforcement Attorney for the EPA, at 303-312-6108.

Sincerely,

A handwritten signature in black ink, appearing to read "Aaron Urdiales", is written over a horizontal line.
